**INSURANCE COMMITTEE MEETING  
MARCH 23, 2022 1:30**

**ATTENDANCE:** Chairman Justice Reggie Cullom; Justice Cecil McDonald; Justice Betty Hepler; Justice Michael White; Justice Tobye McClanahan; Justice Rick Ash; Justice Harbans Mangat; Finance Kelli Jones; Treasurer Peggy Meatte; Attorney Jacob Holmes; Public Affairs Tom Henry; Judge John Alan Nelson; NEA Town Courier Revis Blaylock.

1. Meeting was called to order by Justice Reggie Cullom. Mr. Henry turned the meeting over to Justice Reggie Cullom and Mr. Nichol. Justice Cullom asked Mr. Nichol for the reason why there had not been more progress on the payments for the 2019 claims. A zoom meeting was held on December 14, 2021. No satisfactory resolution on the outstanding debts had been made. Mr. Nichol stated he had the signed settlements and the money was expected to be transferred to the trust and escrow accounts to pay the claims that had been discounted. Only 173 claims out of 1210 had been paid. Kelli Jones had a list of the number of claims paid from our office or Dave Nichol's office.

2. Mr. Nichol said he would send an updated claims list, color coded on settled claims and ones scheduled to be paid to the county on March 24, 2022. Judge Nelson told Mr. Nichol the county was not happy with the work he had been doing. Mr. Nichol said he was disappointed and had been working on it for two years and took a ton of effort. Mr. Nichol said he had been working with collection agencies to get employees off collections. No EOB's included.

3. Justice McDonald stated every day the county had employees, law enforcement, people with families going thru collections. Credit scores were being ruined, homes lost. The settlement of claims was urgent to the county and employees. Mr. Nichol said he had it in his other office and couldn't send today. 4. Meeting was set for March 30, 2022 at 1:30. Entire color coded list would be provided with claims paid thru the system. Justice Hepler asked if the second spreadsheet be sent on Tuesday for review before the meeting. Justice McClanahan asked if Mr. Nichol could find out a better time frame for settling the claims. **EFFICIENCY COMMITTEE  
MARCH 29, 2022 1:00 ANNEX BUILDING**

1. Meeting was called to order by Justice Cecil McDonald. The committee met last year to discuss drainage fees that were being assessed. Meeting was turned over to Harley Bradley.

2. Mr. Bradley had been assessing since 1987, several years as a State auditor and became Assessor in 2000. Mr. Bradley was a certified reappraisal manager. Mr. Albritton was asked about the formula that was used to get the value of the taxes. Delinquent levee taxes were collected in the Collector's Office. Mr. Bradley was paid \$3,500.00 per year. Mr. Bradley suggested to come up with a formula and put in the system to be collected by the Collector. Rob Veach with the levee district liked the idea of combining the taxes. Could pay Mr. Bradley \$500.00 year. Randy Ferguson took over the drainage district when Mr. Albritton retired. Mr. Ferguson asked Mr. Bradley to take all the drainage districts and would be paid \$3,000.00 per year. Mr. Bradley's suggestion to correct the formula was to take what money was needed at the end and back into it. How much land and improvements and then you could figure a formula.

3. Jim Tompkins was the Assessor. Mr. Albritton was a drainage district supervisor. Randy Ferguson was a drainage district supervisor. There were 9 drainage districts. Bob Ramey stated the commissioners met once a year on big projects. Smaller contractors were used for smaller projects. \$1 million a year was spent on maintenance. Justice Burge stated the problem was not everything was not being taxed equally.

4. Property could have been improved because of the drainage ditches. Helped to determine the rate of tax. Each parcel was given a benefit assessment rate. There was not a standard rate across the board. Formula could be created on what taxes were collected last year.

5. Justice Ash asked before Mr. Bradley was hired who did the assessments for the drainage district. Mr. Albritton did the assessments prior to Mr. Bradley. Justice Ash suggested the drainage district figure what they had collected each year and what they wanted to move to for the coming year and work the formula out. Motion was made by Justice Betty Hepler to table for now. Second was made by Justice Justice Neil Burge. Motion passed.

6. Meeting adjourned.

  - 2. Tax back agreement with Sierra Group & Associates Construction LLC. They were in the process of purchasing some machinery that would allow them to buy the rolls of prepared steel from Nucor plant. Thin gauge steel that was painted. Roof caps and other parts were going to be made. Construction expenses had to do with putting in the manufacturing plant. County portion of the tax would be relieved. Motion was made by Justice Neil Burge to approve the Tax Back Resolution for the Sierra Group & Associates Construction LLC. Second was made by Justice Tobbye McClanahan. Motion passed.**
  - 2. Southworth in Manilla was interested in purchasing the Federal Mogul Building. Several million to purchase the building and move. 50 jobs were to be added. Would be able to do their own inspection for Amazon.**
  - 3. Majestic Steel. Building should be finished this summer and opening this fall. HR was interested in the work here live here program. They were working to find housing in the Armored area.**
  - 4. Clif Chitwood, Dr. Shemwell and two gentlemen from the State visited with the Call Center prospect in Atlanta. 2000 people worked in the center. All business was called in. Had contracts with Google, Apple, Microsoft, Microsoft, Dunn and Bradstreet. Training would be done by the company that was represented. 40 hours a week. \$15.00 an hour starting and moved to \$16.00. 401K, health insurance, day care provided. 500 jobs.**
  - 5. Work here live here. Legal documents had been sent. Waiting to hear from who wanted to help. Concerns were could the project be done in Mississippi County and not in another location where industries were located. Randy Scott and Clif Chitwood were confident the industries would agree to partner with us. U. S. Steel liked their employees to live in the area.**

**SOCIAL SERVICES COMMITTEE  
APRIL 21, 2022 2:00 P.M. ANNEX BUILDING**

**ATTENDANCE:** Chairman Justice Tobye McClanahan; Justice Betty Hepler; Justice Rick Ash; Justice Michael White; Justice Molly Jackson; Justice Cecil McDonald; Justice Neil Burge; Senior Citizens Center Amanda Adams; Barbara Mitchell; Finance Kelli Jones; East Area on Aging Melissa Prader.

- 1. Meeting was called to order by Justice Tobye McClanahan. Justice McClanahan introduced the guests. Melissa Prader East Area on Aging, Amanda Adams and Barbara Mitchell from the Senior Citizens Center. Confusion from the last meeting was explained. Funding was not discussed but the organizational structure of the Senior Citizens Center. Funding and financing were the Finance Committee and not Social Services.**
- 2. The County had been acting as the sponsor of the Senior Citizens Center since 1976. East area on Aging was the pass thru agency for all State and Federal funding for these types of programs. East Arkansas had 12 counties. The agency found sponsors to be the administrative organizational structure. When a sponsor was not found the agency took it on.**
- 3. Considerable cuts had been made thru the State and Federal Grants. Major funding cuts were because these programs were widely funded by a cigarette tax and less funding was available. They were also population based. Calculations were based on aging populations.**
- 4. In 1976 the EOC was the sponsoring agency for the Miss. Co. Senior Citizens Center. Jo Floyd was the director at that time and did not think the EOC was the proper agency. Shug Banks was the County Judge. Judge Banks made the decision Mississippi County would be the sponsoring agent. There was no Resolution because the Quorum Court was restructured in January 1977. The Senior Citizens Center had been on the county budget since 1977. Contract was signed with East Area on Aging every year. The contract had been signed in the past by the Director. Contract in 2014 and 2015 was signed by Judge Randy Carney. RFP was done every four years from the East Area on Aging. Documentation had to be proved by the county to East Area on Aging regarding information requested.**
- 5. Justice McClanahan had a letter from 2011 from the Senior Citizens Center acknowledging that the Miss. Co. Quorum Court was in favor and approved the Senior Citizens Center in Leachville could be moved to Manilla.**
- 6. Justice McClanahan received a phone call from the State Auditor that stated. They didn't have any issues with the financing or record keeping with the Senior Citizens Center regarding Mississippi County and never had. Concerns over loosing funding over large contribution the county had given. East Area on Agency assured Justice McClanahan that was not the case.**

7. East Area on Aging was a 501C3 not a State departmental organization. When a donor would like to support Senior Services in Miss. Co. by getting a tax deduction they can donate to the East Area on Aging and designate to only be spendable in Mississippi county.

8. East Area on Agency owned the building in Blytheville. Justice McClanahan and Justice White visited the center. Considerable amount of money had been put into the center. Ceilings had been lowered and helped with energy efficiency. AC upgrades had been made. Justice McClanahan thought the rent the county paid should remain.

9. Transfer amounts. When Judge Nelson was Finance chair the county was transferring around \$40,000.00 in 2010. Amount now was close to ¼ million. The budget only gave revenues and does not show funding or what the county transferred. 2014 County General transferred just over \$161,000.00. 2015 jumped to \$238,000.00 thru 2017. 2010 was a census year and population was lost.

10. Justice McClanahan though the director should not be signing the contracts but the County Judge. Contract for services between the East Area on Aging and sponsoring agency. Contract was voluntary and had a 90 cancellation notice.

11. Justice McClanahan handed out a Resolution she would like the court to adopt. Justice Burge asked if the other two counties subsidized the budgets for the centers. The answer was they did part of the budget. Services in other counties were cut if money was not available. Justice Burge thought it was a great program. EOC lost funding in the middle of last year and services were cut. Justice Ash recommended to send the Resolution to Jacob Holmes for him to look at. The County Judge should be the one signing the contract. Second was made by Justice Joe Lewis. Motion passed.

12. Justice Ash stated the committee was not looking at cutting funding. The committee was looking at how and why the department got started. Motion was made by Justice Rick Ash to lift the hold on the purchase of the vans for the Senior Citizens Center. Second was made by Justice Joe Lewis. Motion passed.

13. Lunch would be served next Thursday at the Manilla Senior Citizens Center. 11:30.

14. Meeting adjourned.

**ENERGY & PROPERTY MEETING  
APRIL 21, 2022 3:00 ANNEX BUILDING**

**ATTENDANCE: Chairman Justice Molly Jackson; Justice Joe Lewis; Justice Betty Hepler; Justice Rick Ash; Justice Michael White; Justice Cecil McDonald; Justice Tobye McClanahan; Finance Kelli Jones.**

- 1. Meeting was called to order by Justice Molly Jackson. Justice Jackson passed out an updated copy of the courthouse budget. No Ordinance or Resolution needed.**
  - 2. Osceola pigeon problem. Mr. Ruby found two companies that gave quotes. Renaissance Roofing had given a quote that was expensive. A company was found that provided the material, and installation. The other company was less expensive but did not include the labor. \$30,000.00. Spikes, netting, installation of stainless steel cables and turnbuckles. Guaranteed of defects for one year. Justice Ash wanted to ask what the life expectancy was. Osceola account had enough money appropriated.**
  - 3. Last pay app for the reroof project had been received for the Blytheville courthouse. \$111,471.26. Some new ceramic tiles had chipped. Chipping of the tile did not affect the tiles. Quote would be provided if the county wanted the tiles replaced. Justice McDonald would like to see an estimate.**
  - 4. Budget. Change order #22 was added. \$250.73. \$5,280.00 was also added for additional services and site visits. Construction contingency \$30,000.00. Anticipated moving expenses. \$125,000.00. Undesignated \$231,448.90. Interest of Blytheville and Osceola checking accounts had not been updated. Additional expenses that had occurred by CNI running long. Contract ended on November 6, 2021. \$43,000.00 in liquidated damages. Almost \$1.9 million left in the Blytheville construction fund. A 10% retainage was in the contract. One million dollars was held until construction was finished. Additional truck rentals were \$14,000.00. Insurance policy \$13,000.00. Aaron Ruby \$5,000.00. AC needed work done in Burdette and should be paid by CNI. Medal of Honor display under \$6,000.00. Time capsule would be in budget. Layout tables might incur additional costs. Sprinklers would need to be insulated at an additional cost.**
  - 5. Mr. Ruby said it was never discussed that the big book records cabinet would be replaced for Janice Currie or Leslie Mason. It was possible they forgot. Only the tops were to be replaced. Mr. Ruby would be in Blytheville next week. Elevators were not working at this time. Completion date now known. Justice Ash said ANC had an HVAC school and might be able to look at the AC in Burdette.**
